20th International Berlin Potato Evening – Anniversary in a New Location

Berlin, November 17th, 2025. The German Potato Trade Association (DKHV) invites guests to the 20th International Berlin Potato Evening on 3 February 2026, the evening before FRUIT LOGISTICA, celebrating two milestones at once: the anniversary of the largest industry gathering of the potato sector and the move to a new venue, the TITANIC Chaussee Berlin.

For two decades, the International Berlin Potato Evening has established itself as a key meeting point for representatives from trade, production, processing, marketing, politics, and science. In a relaxed atmosphere, the event offers the opportunity to discuss current market developments, maintain networks, and set impulses for the future of the industry.

DKHV President Thomas Herkenrath emphasizes: “Twenty years of the International Berlin Potato Evening is not only a reason to celebrate but also a reflection of the cohesion and dynamism of our sector. With the new location in the heart of Berlin, we are opening another chapter, combining tradition with a spirit of new beginnings. I look forward to joining our members and guests in toasting two decades of successful industry history and moving into the future with fresh ideas.”

The International Berlin Potato Evening is considered the exclusive networking event of the potato sector on the eve of FRUIT LOGISTICA, attracting around 500 national and international guests each year.
